

STEM PATHWAYS

Summer 2023 Seminar Series

Friday, August 18, 2023
12:00-1:00 pm
CILSE 106C

**Lynn
Doucette-Stamm**
Executive Director, CLIA
Boston University

Lynn served as the Executive Director of Boston University's COVID Testing Laboratory (The CTL). Come hear from Lynn about laboratory automation, large scale clinical testing, and how academic research can transition to industry work and services. Lynn's academic background comes from MIT and Cornell. Her work experience before Boston University spans from Interleukin Genetics, Agencourt Biosciences, and Sitokine Ltd.
